

Chicon 7 - the 70th World Science Fiction Convention Chicago, IL - August 30 to September 3, 2012

Installment Plan registration form - please PRINT CLEARLY.

Terms and Conditions

The Installment Plan is open to all new adult members (individuals or family memberships), young adult members, and people who already hold a Supporting membership. In all cases the Plan will be put in place from the time we accept your application. If you are not already a Supporter, you will begin the Plan by purchasing a non-refundable Supporting membership (\$50 for an Individual / \$100 for a Family).

Once you have been accepted onto the Plan, you will pay the balance of your Attending membership in monthly installments. You can pay your installments by credit card or by check posted to our US office. For credit card Plans, please complete the credit card authorization below. For check Plans, it is up to you to ensure that your monthly payments reach us on time.

Your monthly payment is \$30 (individual memberships) or \$60 (family memberships). Credit cards will automatically be charged on the last business day of the month. Checks should be received before the end of the month. If sending you a check, you can pay more per month if you wish.

You must complete the Plan (i.e. make all payments necessary to buy your Attending membership) by no later than **June 30, 2012**. If your remaining balance is more than \$30/\$60 at the end of June, you will be charged your remaining balance. If paying by check, you will need to submit a check for the remaining balance. If a check for the remaining balance is not received, it will be assumed that you wish to drop out of the Plan (see below).

We will send out reminders / Plan updates to you each month so that you know how much you have paid so far and how much is still owed. You must provide us with an email contact address so that we can stay in touch with you.

Installment Plan members can immediately pay their outstanding balance at any time whilst they are in the Plan to become full Attending members. You cannot transfer the membership to someone else until it is paid in full; however you can pay the remaining balance on a membership and then immediately transfer it.

If you want to drop out of the Plan, we will refund all payments apart from the initial supporting membership fee, and you will remain a Supporting member of Chicon 7.

We will accept new Installment Plan applications until the end of April 2012.

Please contact reg@chicon.org with any questions.
